

# A DATE WITH KATRINA KAIF

Mango Slice plans to bring you closer to Katrina through a unique interactive promotion, 'Katrina Ka Number, Crown Ke Under'. Every Slice crown has a

mobile number. All you have to do is to call on that number, and if you're lucky, you could win a date with Katrina Kaif herself! From February 14 to March 31, one lucky winner everyday will win a date. Even if you don't win a date, you will definitely win collectible Slice merchandise or personalized digital wallpaper. "I am looking forward to meeting my fans who are able to find my number under the crowns of Slice bottles", said, Slice brand ambassador, Katrina Kaif.
