

Cool Crore

TALK about being at the right place at the right time with the right answer!

Hailing from Ghaziabad, Hitesh Wardhan's tryst with destiny began the moment he bought a KBC special bottle of Pepsi and through its label earned the ticket to 'Ek Crore Ka Shortcut', a campaign launched in collaboration with *Kann Banega Crorepati* on Sony TV. Once in the studio, he was lucky to be asked the question: 'In which city did Mahendra Singh Dhoni score his first century?' a question not too hard to answer for a Dhoni fan like Wardhan.

The Rs 1-crore cheque was handed over to him by Harbhajan Singh. The show will be telecast at 8:30 PM on Wednesday, November 15.
